Subject: Construction Environmental Management Plan – Oakdale East Industrial Estate

Dear Mr O'Reilly

I refer to your submission dated 14 November 2023, requesting approval of the Construction Environmental Management Plan (CEMP) Rev v-2.3 dated 13 November 2023. I also acknowledge your response to the Department's review comments and request for additional information.

I note the CEMP has been prepared in consultation with relevant parties and the comments received have been addressed in the CEMP.

The Department has carefully reviewed the document and is satisfied it meets the requirements of the relevant conditions of consent (SSD 37486043). Accordingly, as nominee of the Planning Secretary, I approve the CEMP Rev v-2.3 dated 13 November 2023.

You are reminded that if there are any inconsistencies between the CEMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Deana Burn on 02 9274 6453.

Yours sincerely

Chris Ritchie
