Attention: Mack Bowman

Dear Mack,

**REFERENCE: DA NO. 20/0693
LOT 2A, OAKDALE SOUTH ESTATE, 1 OTTELIA ROAD, KEMPS CREEK
CONSTRUCTION CERTIFICATE**

Your recent application for a Construction Certificate dated 23.09.2022 has now been approved. We hereby enclose a copy of the Construction Certificate No. CC-22152 and associated documentation for the proposed CC4: Signage to Warehouse 2A-1 **only** associated with the construction of the warehouse & ancillary offices.

We have forwarded a copy of the Construction Certificate together with the approved documentation to Council for its record.

Please also find attached an inspection schedule relevant to this development. The inspection schedule identifies the necessary Statutory Mandatory Critical Stage Inspections that must be undertaken together with other inspections of the progress building works, by our office.

It is the client's responsibility to ensure that our office is contacted with not less than 48 hours' notice for our attendance to each of these inspections.

The primary reason for these Statutory Mandatory Critical Stage Inspections is to ensure that the development proceeds in accordance with the development consent, Construction Certificates and that the development is fit for occupation in accordance with its classification under the Building Code of Australia. The Principal Certifying Authority does not undertake detailed quality control inspections. Critical Stage Inspections do not provide the level of supervision required to ensure that the minimum standards and tolerances specified by the 'Guide to Standards and Tolerances 2017 ©' are achieved.

The quality of any development is a function of the quality of the principal contractor's or owner builder's supervision of individual contractors and trades on a daily basis during the development. The PCA does not undertake this role.

The NSW Office of Fair Trading have published a 'Guide to Standards and Tolerances 2017 ©'. The guide can be obtained from the Office of Fair Trading website.

We thank you for your assistance in this matter and should you have any enquiries please do not hesitate to contact me on 9211 7777.

Yours sincerely,

Dean Goldsmith
