# 1 Executive Summary

---

This Pre-Construction Compliance Report is written in accordance with the Compliance Reporting Post Approval Requirements (Department of Planning and Environment 2018). This document has been submitted in accordance with the timeframes set out in the Compliance Monitoring and Reporting Program submitted to the Compliance Office, NSW Department of Planning Industry and Environment (DPIE) on 28/02/19.

## 2 Introduction

---

The following information is taken from the Development Consent for SSD 7348.

### 2.1 Project Name and Application Number

Project Name: Oakdale West Industrial Estate  
 Application Number: SSD 7348

### 2.2 Purpose of this Report

This report is the **Pre Construction Compliance Report** as required by Section 2.1 Compliance Monitoring and Reporting Schedule within the Compliance Reporting Post Approval Requirements (Department of Planning and Environment 2018).

This report has been prepared and structured to address the relevant Conditions of Consent (CoCs) for the Oakdale West Industrial Estate SSD 7348 planning approval.

**Table 1** cross-references sections in this report that address the applicable planning approval requirements

**Table 1 – Planning Approval Requirements**

D139	No later than 6 weeks before the date notified for the commencement of construction, a Compliance Monitoring and Reporting Program prepared in accordance with the Compliance Reporting Post Approval Requirements (Department 2018) must be submitted to the Department.
D140	Compliance Reports of the Development must be carried out in accordance with the Compliance Reporting Post Approval Requirements (Department 2018).
D141	The Applicant must make each Compliance Report publicly available no later than 60 days after submitting it to the Department and notify the Department in writing at least 7 days before this is done.

## 2.3 Project address

The Project is located at 2 Aldington Road Kemps Creek NSW and is comprised of; Lot 1, DP 663937, Lot 2 12115268, Lot 6 DP 229784, Lot 229784, Lot 2 DP 84578, Lot 3 DP 85393 and Lot 11 DP 1178389.

## 2.4 Description of Project

The concept proposal for SSD 7348 is described as;

- concept layout of 22 warehouse buildings including of dock offices and ancillary offices providing 476,000 square meters of gross lettable area, built over 5 development stages
- concept layout of development lots, internal roads, drainage, landscaping, noise walls, basins and biodiversity offsets; and
- development controls

The scope of this Report covers Stage 1 of this development including;

- bulk earthworks across all five stages including retaining walls and noise walls;
- lead in services including but not limited to drainage, power, sewer, water and telecommunications;
- service infrastructure to Precinct 1, including drainage, power, sewer, water and telecommunications; construction and operation of three warehouse buildings inclusive of dock offices and ancillary offices in Precinct 1 (1A, 1B and 1C) providing 118,000 square metres of gross lettable area;
- Western North-South Link Road and associated subdivision, basins and drainage;
- estate roads 1, 2 and 6 and eastern part of road 7;
- landscaping of Stage 1, the western boundary, Western North-South Link Road, estate roads 1, 2 and 6 and the eastern part of road 7, detention basins and the amenity lot
- subdivision of Stage 1 lots and road infrastructure including the services (substation) lot;
- stormwater drainage infrastructure for Lots 2A and 2B and all basins;
- temporary works to facilitate construction including but not limited to swales, haul road (construction access), landscaping and basins; and
- works including construction of traffic signals at Lenore Drive/Grady Crescent/WNSLR intersection.

## 2.5 Project Phase

This Compliance Report is for Pre-construction phase of the development. No works have commenced at the time of reporting.

## 2.6 Compliance Reporting Period

This Compliance Report is for Pre construction phase of the development. No works have commenced at the time of reporting.

## 2.7 Project Activity Summary

This Compliance Report is for Pre construction phase of the development. No works have commenced at the time of reporting. Works are anticipated to commence on site December 2019.

### 3 Compliance Status Summary

---

The compliance table provided as **Appendix B** demonstrates the compliance with conditions of consent for SSD 7348.

The terminology within **Table 2** has been used to describe compliance status within the Compliance Report Provided at Appendix B. Only these terms are used to describe the compliance status.

**Table 3 Compliance Status Descriptors**

Compliant	The proponent has collected sufficient verifiable evidence to demonstrate that all elements of the requirement have been complied with.
Non-Compliant	The proponent has identified a non-compliance with one or more elements of the requirement.
Not triggered	A requirement has an activation or timing trigger that has not been met at the phase of the development when the compliance assessment is undertaken; therefore an assessment of compliance is not relevant.

Construction Compliance Reports will be issued quarterly from the date of Construction commencement. A schedule for these reports will be confirmed within the first Construction Compliance Report.

Other compliance reports will be issued in accordance with Sec. 2.1 of the Compliance Reporting Post Approval Requirements (Department of Planning and Environment 2018).

### 4 Previous report Actions

---

NIL

### 5 Incidents

---

There have been no incidents, defined by the Conditions of Consent as;

“An occurrence or set of circumstances that causes or threatens to cause material harm and which may or may not be or cause non-compliance”

### 6 Complaints

---

There have been no complaints recorded for this Project.

## Appendix A

### Compliance Report Declaration Form

Project Name : Oakdale West Industrial Estate

Project Application Number : SSD 7348

Description of Project :

- concept layout of 22 warehouse buildings including of dock offices and ancillary offices providing 476,000 square meters of gross lettable area, built over 5 development stages
- concept layout of development lots, internal roads, drainage, landscaping, noise walls, basins and biodiversity offsets; and
- development controls

Project Address: 2 Aldington Road, Kemps Creek NSW

Proponent: Goodman Property Services (Aust) Pty Ltd

Title of Compliance Report: Pre-Construction Compliance Report

Date: 2 December 2019

I declare that I have reviewed relevant evidence and prepared the contents of the attached Compliance Report and to the best of my knowledge:

- the Compliance Report has been prepared in accordance with all relevant conditions of consent;
- the Compliance Report has been prepared in accordance with the Compliance Reporting Post Approval Requirements;
- the findings of the Compliance Report are reported truthfully, accurately and completely;
- due diligence and professional judgement have been exercised in preparing the Compliance Report; and
- the Compliance Report is an accurate summary of the compliance status of the development.

Notes:

- Under section 10.6 of the Environmental Planning and Assessment Act 1979 a person must not include false or misleading information (or provide information for inclusion in) a report of monitoring data or an audit report produced to the Minister in connection with an audit if the person knows that the information is false or misleading in a material respect. The proponent of an approved project must not fail to include information in (or provide information for inclusion in) a report of monitoring data or an audit report produced to the Minister in connection with an audit if the person knows that the information is materially relevant to the monitoring or audit. The maximum penalty is, in the case of a corporation, \$1 million and for an individual, \$250,000; and
- The Crimes Act 1900 contains other offences relating to false and misleading information: section 307B (giving false or misleading information – maximum penalty 2 years' imprisonment or 200 penalty units, or both).

### Compliance Report

DRAFT

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
<b>Future Development Applications</b>					
B1.	In accordance with section 4.22 of the EP&A Act, each Stage of the Concept Proposal (excluding Stage 1) is to be subject to future development applications (DAs). Future DAs are to be consistent with this development consent.	Future development applications	Future DAs will be compared for consistency with this consent condition.		Not Triggered
B2.	To avoid any doubt, this Concept Proposal consent does not permit the construction or operation of any Development, except for the Stage 1 DA covered by Schedule D.	Future development applications	Approvals will be sought from the Planning Secretary for works outside of Stage 1.		Not Triggered
B3.	This Concept Proposal consent does not approve the building layouts shown on Lots 2E, 2F, 2G, 2H, 2J and 4A on Figure 1 in Appendix 1. The location of the buildings on these lots must be assessed by separate DAs, and must satisfy the interface requirements of Conditions C3 and C4.	Future development applications	Approvals will be sought from the Planning Secretary for works outside of Stage 1.		Not Triggered
<b>Statutory Requirements</b>					
B4.	The Applicant shall ensure that all licences, permits, and approvals/consents are obtained as required by law and maintained as required throughout the life of the Concept Proposal. No condition of this consent removes the obligation for the Applicant to obtain, renew or comply with such licences, permits or approvals/consents.	At all times	The ER to monitor that all licences, permits, and approvals/consents are obtained/maintained as required by law and/or as detailed within the CEMP/OEMP.	This Compliance Report	Compliant
<b>Terms Of Consent</b>					
B5.	The Applicant shall carry out the Concept Proposal in accordance with the:	At all times	ER to check consistency during compliance reporting.	This Compliance Report	Compliant
	(a) EIS and RTS;	At all times	ER to check consistency during compliance reporting.	This Compliance Report	Compliant
	(b) the plans in Appendix 1 and Appendix 2; and	At all times	ER to check consistency during compliance reporting.	This Compliance Report	Compliant
	(c) the Applicant’s Management and Mitigation Measures in Appendix 7.	At all times	ER to check consistency during compliance reporting.	This Compliance Report	Compliant
B6.	If there is any inconsistency between the plans and documents referred to above, the most recent document shall prevail to the extent of the inconsistency. However, the conditions of this consent shall prevail to the extent of any inconsistency.	At all times			Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status								
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>													
B7.	The Applicant shall comply with any reasonable requirement(s) of the Planning Secretary arising from the Department’s assessment of: (a) any reports, plans or correspondence that are submitted in accordance with this consent; and	At all times	ER to check consistency during compliance reporting.	This Compliance Report	Compliant								
	(b) the implementation of any actions or measures contained within these reports, plans or correspondence.	At all times	ER to check consistency during compliance reporting.		Compliant								
<b>Limits Of Consent</b>													
B8.	This consent lapses five (5) years after the date from which it operates, unless any Stage of the Development has physically commenced on the land to which the consent applies before that date.	Within five years of the date of consent	Construction is planned to commence during the five (5) years after the date the consent is approved.	Consent for SSD issued 13 Sept 2019	Compliant								
B9.	The following limits apply to the Concept Proposal: (a) the maximum GLA for the land uses in the Development shall not exceed the limits in Table 1;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review concept and confirm this is true.		Not triggered								
	<p>Table 1: GLA Maximum for Concept Proposal</p> <table border="1"> <thead> <tr> <th>Land Use</th> <th>Maximum GLA square metres (m<sup>2</sup>)</th> </tr> </thead> <tbody> <tr> <td>Total Warehousing</td> <td>453,000</td> </tr> <tr> <td>Total Office</td> <td>23,000</td> </tr> <tr> <td><b>Total GLA</b></td> <td><b>476,000</b></td> </tr> </tbody> </table>					Land Use	Maximum GLA square metres (m <sup>2</sup> )	Total Warehousing	453,000	Total Office	23,000	<b>Total GLA</b>	<b>476,000</b>
	Land Use					Maximum GLA square metres (m <sup>2</sup> )							
Total Warehousing	453,000												
Total Office	23,000												
<b>Total GLA</b>	<b>476,000</b>												
(b) a minimum 60 metre (m) wide corridor along the northern Site boundary shall not be developed and shall be maintained and preserved for the future WSFL corridor, in accordance with the requirements of TfNSW; and	Prior to commencing construction at WNSLR and/or Stage 1	ER to confirm final width in accordance with site survey prior to commencement of construction.	Letter from TfNSW to Goodman 28/11/19 confirming acceptance	Compliant									
(c) the building layouts and footprints shown on Lot 2E, 2F, 2G, 2H, 2J and 4A on Figure 1 in Appendix 1, are not approved. The position, layouts and footprints of the buildings on these lots must be assessed by separate DAs, and must satisfy the interface requirements of Conditions C3 and C4.	Applicable to estate lot design	Approvals will be sought from the Planning Secretary for works outside of Stage 1. The layouts and footprints will be assessed against SSD 7348. ER to confirm DA’s are received before works start for buildings in each of the Lots.		Not triggered

<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) 2 spaces for disability parking for every 100 car parking spaces.	Prior to commencing construction at WNSLR and/or Stage 1	ER to review concept and confirm ER to obtain Certification Letter from concept design team.		Not triggered
B14.	The Applicant shall provide bicycle racks, and amenity and change room facilities for cyclists in accordance with <i>Planning Guidelines for Walking and Cycling</i> (December, 2004, NSW Department of Infrastructure, Planning and Natural Resources and the Roads and Traffic Authority).	Applicable to estate lot design	Assess against development controls in SSD 7348 or construction drawings and WAE drawings.		Not triggered
<b>Staging Plan</b>					
B15.	Prior to the commencement of construction of any Stage of the Concept Proposal, the Applicant shall prepare a Staging Plan for the Development, to the satisfaction of the Planning Secretary. The plan shall:	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant
	(a) be prepared in consultation with Council, utility and service providers and other relevant stakeholders;	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant
	(b) describe how the implementation of the Concept Proposal, would be staged to ensure it is carried out in an orderly and economic way and minimises construction impacts on adjacent sensitive receivers;	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant
	(c) show the likely sequence of DAs that will be lodged to develop the Site, with the estimated timing for each Stage and identification of any overlapping construction and operational activities;	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant
	(d) include concept design for the staged delivery of landscaping, focusing on early implementation of screen planting to minimise the visual impact of subsequent development stages; and	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant
	(e) include conceptual design for the provision of services, utilities and infrastructure to the Site.	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
B16.	The Applicant must: (a) not commence construction of any Stage of the Development until the Staging Plan required by Condition B15 is approved by the Planning Secretary; and	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite approved Staging Plan prior to the commencement of construction.	Letter from DPE to Goodman dated 26/9/19 confirming acceptance of the Staging Plan	Compliant
	(b) implement the most recent version of the Staging Plan approved by the Planning Secretary.	At all times	ER to confirm any updates to Staging Plan each compliance report before assessing compliance for that period.	No revision of staging plan	Compliant
B17.	The Planning Secretary may require the Applicant to address certain matters identified in the Staging Plan. The Applicant must comply with any such requirements of the Planning Secretary given as part of the Staging Plan approval.  <i>Notes: The Applicant may amend the Staging Plan as desired, with the approval of the Planning Secretary</i>  <i>The Staging Plan is intended to broadly describe the development sequence for the Site and the delivery of infrastructure for all stages. It is not required to provide detailed design for latter Stages.</i>	At all times	ER to cite actions requested by the Planning Secretary and evidence of completion/satisfaction.	No preconstruction requirements	Compliant
<b>Noise Limits</b>

N2 Emmaus Catholic College (school)	<b>When in use:</b> 35 (internal)																																	
B19.	The noise limits in Table 3 do not apply to receiver N3 if the Applicant has a Noise Agreement with the relevant landowner to exceed the noise limits, and the Applicant has provided written evidence to the Planning Secretary that an agreement is in place.	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite Noise Agreement with the relevant landowner to exceed the noise limits, if developed.	Acoustic agreement with N3 dated 7 June 2019  Agreement submitted to DPE 12 June 2019	Closed																													
<b>Bushfire Protection</b>																																		
B20.	The Applicant shall ensure the Development complies with: (a) the relevant provisions of <i>Planning for Bushfire Protection 2006</i> ;	Applicable to estate lot design	ER to undertake review of documentation (prior to and post construction of buildings) against the <i>Planning for Bushfire Protection 2006</i> .		Not triggered																													
	(b) the construction standards and asset protection zone requirements recommended in the Oakdale Industrial Estate - West Bushfire Protection Assessment, prepared by Australian Bushfire Protection Planners Pty Ltd, dated September 2016; and	Applicable to estate lot design	ER to undertake review of documentation (prior to and post construction of buildings) against the Bushfire Protection Assessment (ABPP 2016)		Not triggered																													

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) AS2419.1 – 2005 Fire Hydrant Installations for fire-fighting water supply.	Applicable to estate lot design	Evidence of the Certifying Authority approval will be cited by the ER.		Not triggered
<b>Transgrid Easement</b>					
B21.	The Applicant must: (a) provide safe and unobstructed access for TransGrid plant and personnel to access the transmission towers, lines and easement on the Site, 24 hours a day, 7 days a week;	At all times	Contractor Project Managers to undertake daily inspections to ensure unobstructed access. ER to also undertake inspections based on information provided by the Contractor or Project Manager.		Not triggered
	(b) comply with the requirements of TransGrid for any works in the TransGrid easement; and	At all times	Contractor Project Managers to undertake daily inspections to ensure compliance with the requirements of TransGrid. ER to cite requirements. ER to undertake inspections based on information provided by the Contractor or Project Manager.	No requirements issued pre construction	Compliant
	(c) advise TransGrid of any proposed amended or modified encroachment into the easement.	At all times	Contractors or Project Manager to undertake correspondence and agreements with TransGrid where necessary and provide documentation of standards and agreements.	No proposed amended or modified encroachments	Compliant
B22.	The Applicant must comply with the requirements of Endeavour Energy for the provision of land for a new zone substation as shown on the plans in the RTS.	At all times	All contractors/project managers to provide documents and agreements with Endeavour Energy. ER to also cite documentation provided by Contractor or Project Manager.	Executed agreement between Goodman and Endeavour Energy dated 01/02/19 for sale of land for zone substation.	Compliant
<b>Water NSW</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
B23.	The Applicant must: (a) provide safe and unobstructed access for Water NSW plant and personnel to access the water pipelines corridor adjacent the Site, 24 hours a day, 7 days a week;	At all times	Contractor Project Managers to undertake daily inspections to ensure unobstructed access. ER to also undertake inspections to ensure conformance with CEMP.		Not triggered
	(b) comply with the requirements of Water NSW for any works adjacent to or over, the water pipelines corridor; and	At all times	Contractor Project Managers to undertake daily inspections to ensure compliance with the requirements of Water NSW. ER to also undertake inspections to ensure conformance with CEMP.	CEMP provided to WNSW for comment  Letter WNSW to Goodman 3/09/19 confirming acceptance and close out of design related comments	Compliant
	(c) advise Water NSW of any proposed amended or modified encroachment into the water pipelines corridor.	At all times	Contractors or Project Manager to undertake correspondence and agreements with Water NSW where necessary and provide details of Water NSW requirements.	No proposed amended encroachments	Compliant
<b>Amenities Lot</b>					
B24.	The amenities lot located north of Estate Road 1, as shown on the plans in Appendix 1, must only provide for small-scale local services such as commercial, retail and community facilities and landscaping that service or support the needs of local employment- generating uses.	Applicable to estate lot design	Approvals will be sought from the Planning Secretary for works outside of Stage 1. The layouts and footprints will be assessed against SSD 7348. ER to confirm DA's are received before works start at the Amenities Lot.		Not triggered
<b>SCHEDULE C – CONDITIONS FOR FUTURE DEVELOPMENT APPLICATIONS</b>					
<b>Development Contributions</b>					
C1.	Future DAs shall identify whether any Development Contributions Plan made by Council (under Section 7.11 of the EP&A Act) applies to that stage of the Concept Proposal (excluding Stage 1).	Future development applications			Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
C2.	Prior to the issue of a Construction Certificate for any stage of the Development, the Applicant shall pay contributions to Council in accordance with the relevant Development Contributions Plan identified in accordance with Condition C1.	Future development applications			Not triggered
C3.	Future DAs for warehouses on lots 2E, 2F, 2G, 2H, 2J and 4A shall be accompanied by an Urban Design Assessment. The assessment must:	Future development applications	A specialist consultant will be engaged to prepare Urban Design Assessment. ER to review Urban Design Assessment prior to submission to the Planning Secretary.		Not triggered
	(a) be prepared by an independent urban design consultant;	Future development applications	ER to cite consultation with Council.		Not triggered
	(b) be prepared in consultation with Council and the Emmaus Catholic College;	Future development applications	ER to cite consultation with Council.		Not triggered
	(c) detail the key objectives for the interface with the sensitive receivers on the western and southern Site boundaries, including consideration of optimal uses and operational hours;	Future development applications	ER to review Urban Design Assessment against the requirements of the condition.		Not triggered
	(d) determine the optimal building location and setbacks on the western and southern boundaries, noting the design controls in Condition B10 are the minimum setback requirements;	Future development applications	ER to review Urban Design Assessment against the requirements of the condition.		Not triggered
	(e) present the optimal design for the building layouts along the western and southern site boundaries with detailed justification for the preferred option;	Future development applications	ER to review Urban Design Assessment against the requirements of the condition.		Not triggered
	(f) identify appropriate orientations and architectural treatments for the facades facing sensitive receivers; and	Future development applications	ER to review Urban Design Assessment against the requirements of the condition.		Not triggered
	(g) incorporate noise mitigation into the layout and design of buildings, internal roads, loading docks and parking areas to ensure the Development can meet the noise limits in Condition B18.	Future development applications	ER to review Urban Design Assessment against the requirements of the condition.		Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
C4.	Prior to the commencement of construction of warehouses or office buildings on lots 2E, 2F, 2G, 2H, 2J and 4A, the Applicant must obtain approval from the Consent Authority for the preferred design option, including uses, building and loading dock layouts, setbacks, façade treatments and colours.	Future development applications	Approvals will be sought from the Planning Secretary and cited by the ER.		Not triggered
<b>Visual Amenity</b>					
C5.	<b>Landscaping</b> Future DAs shall be accompanied by a Landscape Assessment. The assessment must:	Future development applications	A specialist consultant will be engaged to prepare Landscape Assessment. ER to review Landscape Assessment prior to submission to the Planning Secretary.		Not triggered
	(a) be prepared by a qualified landscape design consultant;	Future development applications	ER to cite consultation with Council.		Not triggered
	(b) be prepared in consultation with Council;	Future development applications	ER to cite consultation with Council.		Not triggered
	(c) describe how the landscaping for the relevant Stage of the Development is consistent with the Staging Plan approved in accordance with Condition B15;	Future development applications	ER to review Landscape Assessment against the requirements of the condition.		Not triggered
	(d) describes the landscaping works to be completed as part of the relevant Stage of the Development and details a program for monitoring the success of landscaping works over time;	Future development applications	ER to review Landscape Assessment against the requirements of the condition.		Not triggered
	(e) assesses the condition of and adequacy of landscaping completed as part of earlier Stages of the Development, in providing visual screening for adjacent sensitive receivers; and	Future development applications	ER to review Landscape Assessment against the requirements of the condition.		Not triggered
	(f) details any additional landscaping or rehabilitation works required to ensure the visual impacts of the Development are minimised for the adjacent sensitive receivers.	Future development applications	ER to review Landscape Assessment against the requirements of the condition.		Not triggered
C6.	<b>Outdoor lighting</b> Future DAs must ensure compliance with <i>AS/NZS 1158.3.1:2005 Pedestrian Area (Category P) Lighting</i> and <i>AS/NZS 4282:2019 Control of Obtrusive Effects of Outdoor Lighting</i> .	Future development applications	Assessments will be undertaken by suitably qualified experts to satisfy the condition. Approvals will be sought from the		Not triggered

<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
			Planning Secretary for future DAs. Approvals will be cited by the ER.		
C7.	<b>Signage</b> (a) Future DAs must ensure illuminated signage is oriented away from the sensitive receivers on the western and southern Site boundaries.	Future development applications	Assessments will be undertaken by suitably qualified experts to satisfy the condition. Approvals will be sought from the Planning Secretary for future DAs. Approvals will be cited by the ER.		Not triggered
C8.	<b>Reflectivity</b> The visible light reflectivity from materials used on the façades and roofs of the warehouses and office buildings shall be designed to minimise glare. A report demonstrating compliance with these requirements must be submitted to the satisfaction of the Certifying Authority for each future warehouse and office building prior to the issue of the relevant Construction Certificate.	Applicable to estate lot design	Evidence of the Certifying Authority approval will be cited by the ER.		Not triggered
<b>Transport, Access And Parking</b>					
C9.	Future DAs shall be accompanied by a transport, access and parking assessment. The assessment must: (a) assess the impacts on the safety and capacity of the surrounding road network and access points during construction and operation of the relevant Stage;	Future development applications	ER to review the Transport, Access and Parking Assessment against the requirements of the condition. Approvals will be sought from the Planning Secretary for future DAs. Approvals will be cited by the ER.		Not triggered
	(b) demonstrate internal roads and car parking complies with relevant Australian Standards and the car parking rates in Condition B13;	Future development applications	ER to review the Transport, Access and Parking Assessment against the requirements of the condition. Approvals will be sought from the Planning Secretary for future DAs. Approvals will be cited by the ER.		Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) detail the scope and timing of any required road upgrades to service the relevant Stage; and	Future development applications	ER to review the Transport, Access and Parking Assessment against the requirements of the condition. Approvals will be sought from the Planning Secretary for future DAs. Approvals will be cited by the ER.		Not triggered
	(d) detail measures to promote non-car travel modes, including a Sustainable Travel Plan identifying pedestrian and cyclist facilities to service the relevant Stage of the Development.	Future development applications	ER to review the Transport, Access and Parking Assessment against the requirements of the condition. Approvals will be sought from the Planning Secretary for future DAs. Approvals will be cited by the ER.		Not triggered
<b>Noise And Vibration</b>					
C10.	Future DAs shall be accompanied by a noise and vibration impact assessment. The assessment must: (a) identify the noise and vibration impacts during construction and operation;	Future development applications	ER to review the Noise and Vibration Impact Assessment against the requirements of the condition. Approvals will be sought from the Planning Secretary for future DAs. Approvals will be cited by the ER.		Not triggered
	(b) demonstrate compliance with the noise limits in Condition B18;	Future development applications	ER to cite Planning Secretary approvals to confirm compliance.		Not triggered
	(c) provide an analysis of all external plant and equipment, including but not limited to, forklifts, air conditioners and refrigeration systems;	Future development applications	ER to cite Planning Secretary approvals to confirm compliance.		Not triggered
	(d) incorporate noise mitigation measures, such as increased building setbacks, building insulation, noise barriers, layout of truck loading areas or source controls, to demonstrate the noise limits in Condition B18 can be achieved;	Future development applications	ER to cite Planning Secretary approvals to confirm compliance.		Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(e) detail the timing to construct the noise walls shown in Appendix 5, to ensure noise from operation of the Development does not exceed the noise limits in Condition B18; and	Future development applications	ER to cite Planning Secretary approvals to confirm compliance.		Not triggered
	(f) recommend mitigation and management measures to be implemented to minimise noise during construction.	Future development applications	ER to cite Planning Secretary approvals to confirm compliance.		Not triggered
<b>Stormwater Management</b>					
C11.	Future DAs shall demonstrate the design of the warehouses, offices and hardstand areas are consistent with (or the latest revision of) the: (a) <i>Civil, Stormwater and Infrastructure Services Report</i> , prepared by AT&L, dated October 2018; and	Future development applications	Evidence of the Certifying Authority approval will be cited by the ER.		Not triggered
	(b) <i>Flood Impact Assessment: Oakdale West Estate</i> , prepared by Cardno, dated 27 March 2017.	Future development applications	Evidence of the Certifying Authority approval will be cited by the ER.		Not triggered
<b>Bushfire Protection</b>					
C12.	The Applicant shall ensure future DAs comply with: (a) the relevant provisions of <i>Planning for Bushfire Protection 2006</i> ;	Future development applications	ER to undertake inspections and monitoring against the <i>Planning for Bushfire Protection 2006</i> .		Not triggered
	(b) the construction standards and asset protection zone requirements recommended in the Oakdale Industrial Estate - West Bushfire Protection Assessment, prepared by Australian Bushfire Protection Planners Pty Ltd, dated September 2016; and	Future development applications	ER to undertake inspections and monitoring against the Bushfire Protection Assessment (ABPP 2016).		Not triggered
	(c) AS2419.1 – 2005 Fire Hydrant Installations for firefighting water supply.	Future development applications	Evidence of the Certifying Authority approval will be cited by the ER.		Not triggered
<b>Transgrid Easement</b>					
C13.	The Applicant must consult with TransGrid, prior to lodging DAs for Stages 4 and 5 of the Development as shown on Figure 2 in Appendix 1, and any other Stage or road infrastructure that may affect the TransGrid easement. The Applicant must design, construct and operate each Stage of the development in accordance with the reasonable requirements of TransGrid relating to their use of the TransGrid easement.	Future development applications	Consultation with Transgrid will be cited by ER. Evidence provided to certifier or Planning Secretary.		Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
C14.	The Applicant must consult with TransGrid, prior to lodging DAs for buildings in Stage 5 adjacent to Ropes Creek, to identify and implement any required flood management measures within the transmission line easement.	Future development applications	Consultation with Transgrid will be cited by ER. Evidence of the Certifying Authority approval will be cited by the ER.		Not triggered
C15.	The Applicant must obtain relevant approvals from Endeavour Energy, prior to the construction of any utility works to service each Stage of the Development.	Prior to electrical construction	Consultation with Endeavour Energy will be cited by ER.		Not triggered
<b>Water NSW</b>					
C16.	The Applicant must consult with Water NSW, prior to lodging DAs for works on Lot 2A and 2B adjoining the water pipelines corridor, to identify and implement any requirements of WNSW for protection of the water pipelines corridor.	Future development applications	Consultation with Water NSW will be cited by ER.		Not triggered
<b>Waste</b>					
C17.	Future DAs shall include a Waste Management Plan prepared in accordance with the NSW <i>Waste Classification Guidelines</i> (DECCW, 2009).	Future development applications	A WMP will be undertaken by suitably qualified experts to satisfy the condition and submitted to the Planning Secretary for review. Evidence of approval will be cited by the ER.		Not triggered
<b>Construction Management</b>					
C18.	A Construction Environmental Management Plan (CEMP) shall be submitted to the Consent Authority for each Stage of the Concept Proposal, prior to the commencement of construction of the relevant Stage. The CEMP must:	Future development applications	A CEMP will be undertaken by suitably qualified experts to satisfy the condition and submitted to the Planning Secretary for review. Evidence of approval will be cited by the ER or certifier prior to consultation.	See Condition D119	Compliant
	(a) be prepared by a suitably qualified and experienced environmental consultant, or the Environmental Representative appointed for Stage 1 of the Development;				
	(b) be prepared in consultation with relevant Government agencies, infrastructure and utility providers, including but not limited to, TransGrid, Endeavour Energy, Water NSW and TfNSW, where relevant for each Stage;	Future development applications	ER to cite consultation with Council.		Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) detail the construction activities to be undertaken in the relevant Stage of the Development;	Future development applications	ER to review CEMP against the requirements of the condition. Evidence of approval will be cited by the ER.		Compliant
	(d) include detailed procedures for managing the environmental impacts of construction, including stormwater, erosion and sediment controls, dust, noise and traffic management; and	Future development applications	ER to review CEMP against the requirements of the condition. Evidence of approval will be cited by the ER.		Compliant
	(e) detail the roles and responsibilities for environmental management on the Site.	Future development applications	ER to review CEMP against the requirements of the condition. Evidence of approval will be cited by the ER.		Compliant
<b>Community Communication Strategy</b>					
C19.	No later than one month before the commencement of construction of any Stage of the Development, a Community Communication Strategy (CCS) must be prepared and submitted to the Planning Secretary for approval. The CCS is to provide mechanisms to facilitate communication between the Applicant, Council and the community (including adjoining affected landowners, schools, businesses, and others directly impacted by Stage 1), during design, construction and operation. The CCS must: (a) assign a central contact person to keep the nearby sensitive receivers regularly informed throughout the Development;	One month prior to commencing construction at WNSLR and/or Stage 1	A Community Communication Strategy will be prepared by a suitable qualified expert and will be submitted to the Planning Secretary for approval. Evidence of approval will be cited by the ER.	CCS submitted to DPE 06/08/19	Compliant
	(b) detail the mechanisms for regularly consulting with the local community throughout the Development, such as holding regular meetings to inform the community of the progress of the development and report on environmental monitoring results;	One month prior to commencing construction at WNSLR and/or Stage 1	ER to review Community Communication Strategy against the requirements of the condition. Evidence of approval will be cited by the ER.	CCS submitted to DPE 06/08/19	Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) detail a procedure for consulting with nearby sensitive receivers to schedule high noise generating works, vibration intensive activities or manage traffic disruptions;	One month prior to commencing construction at WNSLR and/or Stage 1	ER to review Community Communication Strategy against the requirements of the condition. Evidence of approval will be cited by the ER.	CCS submitted to DPE 06/08/19	Compliant
	(d) include contact details for key community groups, relevant regulatory authorities, Registered Aboriginal Parties and other interested stakeholders; and	One month prior to commencing construction at WNSLR and/or Stage 1	ER to review Community Communication Strategy against the requirements of the condition. Evidence of approval will be cited by the ER.	CCS submitted to DPE 06/08/19	Compliant
	(e) include a complaints procedure for recording, responding to and managing complaints, including:			CCS submitted to DPE 06/08/19	Compliant
	i) email, contact telephone number and postal addresses for receiving complaints;			CCS submitted to DPE 06/08/19	Compliant
	ii) advertising the contact details for complaints before and during operation, via the local newspaper and through onsite signage;	One month prior to commencing construction at WNSLR and/or Stage 1	ER to review Community Communication Strategy against the requirements of the condition. Evidence of approval will be cited by the ER.	CCS submitted to DPE 06/08/19	Compliant
	iii) a complaints register to record the date, time and nature of the complaint, details of the complainant and any actions taken to address the complaint; and				
	iv) procedures for the resolution of any disputes that may arise during the course of the Development.			CCS submitted to DPE 06/08/19	Compliant
C20.	The Applicant must: (a) not commence construction of the relevant Stage of Concept Proposal until the CCS has been approved by the Planning Secretary; and	Prior to commencing construction at WNSLR and/or Stage 1	Evidence of approval will be cited by the ER prior to commencement of works at each stage of development.	CCS Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(b) implement the CCS for each Stage of the Concept Proposal and following the completion of operation of the Development.	At all times	Regular monitoring and inspections will be undertaken to ensure that the Community Communication Strategy is implemented accordingly.	Records of Consultation and Complaints included within ER Monthly reports	Compliant
<b>SCHEDULE D – CONDITIONS FOR STAGE 1</b>					
<b>Part 1 – General Conditions</b>					
<b>Obligation To Minimise Harm To The Environment</b>					
D1.	In addition to meeting the specific performance measures and criteria in this consent, all reasonable and feasible measures must be implemented to prevent, and if prevention is not reasonable and feasible, minimise, any material harm to the environment that may result from the construction and operation of Stage 1 development, and any rehabilitation required under this consent.	At all times	Contractors to provide methodology and data for ER to review. Regular inspections and monitoring will be undertaken in accordance with the CEMPs and OEMP.		Not triggered
<b>Terms Of Consent</b>					
D2.	Stage 1 of the Development may only be carried out: (a) in compliance with the conditions of this consent;	At all times	Regular inspections and monitoring will be undertaken in accordance with the CEMPs and OEMP.	This Pre-Construction Compliance Report	Compliant
	(b) in accordance with all written directions of the Planning Secretary;	At all times		This Pre-Construction Compliance Report	Compliant
	(c) in accordance with the EIS and RTS;	At all times		This Pre-Construction Compliance Report	Compliant
	(d) in accordance with the plans in Appendix 2 and Appendix 3; and	At all times		This Pre-Construction Compliance Report	Compliant
	(e) in accordance with the Applicant’s Management and Mitigation Measures in Appendix 7.	At all times		This Pre-Construction Compliance Report	Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status								
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>													
D3.	Consistent with the requirements in this consent, the Planning Secretary may make written directions to the Applicant in relation to: (a) the content of any strategy, study, system, plan, program, review, audit, notification, report or correspondence submitted under or otherwise made in relation to this consent, including those that are required to be, and have been, approved by the Planning Secretary; and	At all times	ER to cite actions requested by the Planning Secretary and evidence of completion/satisfaction.		Not triggered								
	(b) the implementation of any actions or measures contained in any such document referred to in Condition D3(a).	At all times			Not triggered								
D4.	The conditions of this consent and directions of the Planning Secretary prevail to the extent of any inconsistency, ambiguity or conflict between them and a document listed in Condition D2(c). In the event of an inconsistency, ambiguity or conflict between any of the documents listed in Condition D2(c), the most recent document prevails to the extent of the inconsistency, ambiguity or conflict.	At all times			Not triggered								
<b>Limits Of Consent</b>													
D5.	This consent lapses five (5) years after the date from which it operates, unless Stage 1 has physically commenced on the land to which the consent applies before that date.	Within five years of the date of consent	Construction is planned to commence during the five (5) years after the date from which it operates.	Consent for SSD issued 13 Sept 2019	Not triggered								
D6.	The following limits apply to the Concept Proposal: (a) the maximum GLA for the land uses in the Development shall not exceed the limits in Table 4;  <i>Table 4: GLA Maximum for Stage 1</i> <table border="1"> <thead> <tr> <th>Land Use</th> <th>Maximum GLA (m<sup>2</sup>)</th> </tr> </thead> <tbody> <tr> <td>Total Warehousing</td> <td>111,000</td> </tr> <tr> <td>Total Office</td> <td>7,000</td> </tr> <tr> <td><b>Total GLA</b></td> <td><b>118,000</b></td> </tr> </tbody> </table>	Land Use	Maximum GLA (m <sup>2</sup> )	Total Warehousing	111,000	Total Office	7,000	<b>Total GLA</b>	<b>118,000</b>	Applicable to estate lot design	Regular monitoring and inspections will be undertaken to ensure consistency with the limits during construction.		Not triggered
	Land Use	Maximum GLA (m <sup>2</sup> )											
Total Warehousing	111,000												
Total Office	7,000												
<b>Total GLA</b>	<b>118,000</b>												
(b) a minimum 60 m wide corridor along the northern Site boundary shall not be developed and shall be maintained and preserved for the future WSFL corridor, in accordance with the requirements of TfNSW.	Prior to commencing construction at WNSLR and/or Stage 1	ER to confirm final width in accordance with site survey prior to commencement of construction. This corridor will be indicated on site plans.	Letter from TfNSW to Goodman 28/11/19 confirming acceptance of design	Compliant									

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D7.	The Applicant shall ensure Stage 1 is consistent with the development controls in Table 2: Development Controls in Condition B10.	Applicable to estate lot design	Regular monitoring and inspections will be undertaken to ensure consistency with the controls during construction. Assess against development controls in SSD 7348.		Not triggered
<b>Notification Of Commencement</b>					
D8.	The date of commencement of each of the following phases of Stage 1 must be notified to the Department in writing, at least one month before that date, or otherwise agreed with the Planning Secretary: (a) construction; and	One month prior to commencing construction at WNSLR and/or Stage 1	ER to cite notification and approval prior to the commencement of construction.	Letter from GPS dated 6/06/19 notifying intention to start works.	Compliant
	(b) Operation.	One month prior to commencing operation at Stage 1	ER to cite certification prior to the commencement of operation.		Not triggered
D9.	If the construction or operation of Stage 1 is to be delivered in sub-stages, the Department must be notified in writing at least one month before the commencement of each sub-stage, of the date of commencement and the works to be carried out in that sub-stage.	One month prior to the commencement of each sub- stage	ER to cite evidence of sub-stage consultation prior to the commencement of construction.		Not triggered
<b>Evidence Of Consultation</b>					
D10.	Where conditions of this consent require consultation with an identified party, the Applicant must: (a) consult with the relevant party prior to submitting the subject document to the Planning Secretary for approval; and	At all times	ER to cite evidence of consultation and evidence of consultation provided to Planning Secretary.	Refer to relevant consent conditions	Compliant
	(b) provide details of the consultation undertaken including: i. the outcome of that consultation, matters resolved and unresolved; and ii. details of any disagreement remaining between the party consulted and the Applicant and how the Applicant has addressed the matters not resolved.	At all times	ER to cite evidence of consultation and evidence of consultation provided to Planning Secretary.	Refer to relevant consent conditions	Compliant
<b>Staging, Combining And Updating Strategies, Plans Or Programs</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D11.	With the approval of the Planning Secretary, the Applicant may: (a) prepare and submit any strategy, plan or program required by this consent on a staged basis (if a clear description is provided as to the specific stage and scope of the development to which the strategy, plan or program applies, the relationship of the stage to any future stages and the trigger for updating the strategy, plan or program);	At all times	ER to cite evidence of staging approval by the Planning Secretary. Goodman and ER to review of Plans prior to submission to Planning Secretary. All strategies, plans or programs will be reviewed and resubmitted to the Planning Secretary, as required.		Not triggered
	(b) combine any strategy, plan or program required by this consent (if a clear relationship is demonstrated between the strategies, plans or programs that are proposed to be combined); and	At all times	ER to cite evidence of staging approval by the Planning Secretary. Goodman and ER to review of Plans prior to submission to Planning Secretary. All strategies, plans or programs will be reviewed and resubmitted to the Planning Secretary, as required.		Not triggered
	(c) update any strategy, plan or program required by this consent (to ensure the strategies, plans and programs required under this consent are updated on a regular basis and incorporate additional measures or amendments to improve the environmental performance of the development).	At all times	ER to cite evidence of staging approval by the Planning Secretary. Goodman and ER to review of Plans prior to submission to Planning Secretary. All strategies, plans or programs will be reviewed and resubmitted to the Planning Secretary, as required.		Not triggered
D12.	If the Planning Secretary agrees, a strategy, plan or program may be staged or updated without consultation being undertaken with all parties required to be consulted in the relevant condition in this consent.	At all times	ER to cite evidence of no consultation approved by the Planning Secretary.		Not triggered
D13.	If approved by the Planning Secretary, updated strategies, plans or programs supersede the previous versions of them and must be implemented in accordance with the condition that requires the strategy, plan or program.	At all times	ER to cite evidence of Planning Secretary approval.		Not triggered
<b>Protection of Public Infrastructure</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D14.	Before the commencement of construction of Stage 1, the Applicant must: (a) consult with the relevant owner and provider of services that are likely to be affected, to make suitable arrangements for access to, diversion, protection and support of the affected infrastructure;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review consultation. Note: Arrangement likely to include further work once construction commenced.	See Consultation with Endeavour Energy within Condition C15  Letter ATL to Penrith Council L013-01-15-272-OWE dated 29/09/19 - Ongoing consultation for relocation and protection of services	Compliant
	(b) prepare a dilapidation report identifying the condition of all public infrastructure in the vicinity of the site (including roads, gutters and footpaths); and	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite Dilapidation Reports completed by contractors.	Burton: 18/11/2019 OWE- External Roads Dilapidation Report – Rev 1 Robson: 11/10/19 SSD 7348 Western North South Link Road – Ver 1.3	Compliant
	(c) submit a copy of the dilapidation report to the Planning Secretary and Council.	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite submission to planning Secretary and Council.	Dilapidation reports submitted via share link in email dated 22/11/19	Compliant
D15.	Unless the Applicant and the applicable authority agree otherwise, the Applicant must: (a) repair, or pay the full costs associated with repairing, any public infrastructure that is damaged by carrying out Stage 1; and	At all times	Evidence of satisfaction of this condition will be sited by the ER.		Not Triggered
	(b) relocate, or pay the full costs associated with relocating, any public infrastructure that needs to be relocated as a result of Stage 1.	At all times			Not Triggered
<b>Protection of Water NSW Infrastructure</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D16.	Before the commencement of construction of Stage 1, the Applicant must: (a) prepare a dilapidation report identifying the condition of all infrastructure within the water pipelines corridor, in the vicinity of the WNSLR bridge crossing;	Prior to commencing construction at WNSLR	ER to cite Dilapidation Reports completed by contractors.	Dilapidation report Twin Pipes Condition Survey – Pre Works SLR Ref: 610-18802-R02	Compliant
	(b) implement all practical measures to protect this infrastructure, as required by Water NSW; and	Prior to commencing construction at WNSLR	ER to review works in line with evidence documents. Implementation of most measures can only occur once commenced.		Not triggered
	(c) repair, or pay the full costs associated with repairing, any water supply infrastructure that is damaged by carrying out Stage 1.	Prior to the completion of construction at WNSLR	Evidence of satisfaction of this condition will be cited by the ER once works and any rectification works are completed.		Not triggered
<b>Demolition</b>					
D17.	All demolition must be carried out in accordance with <i>Australian Standard AS 2601-2001 The Demolition of Structures</i> (Standards Australia, 2001).	At all times	ER to confirm and review separate WMS for demolition. ER to confirm licenced contractor for demolition.		Not triggered
<b>Structural Adequacy</b>					
D18.	All new buildings and structures, and any alterations or additions to existing buildings and structures, that are part of the development, must be constructed in accordance with the relevant requirements of the National Construction Code (NCC).  <i>Notes: Under Part 6 of the EP&amp;A Act, the Applicant is required to obtain construction and occupation certificates for the proposed building works. Part 8 of the EP&amp;A Regulation sets out the requirements for the certification of the development.</i>	At all times	ER to site construction and occupation certificates for the building works.		Not triggered
<b>Compliance</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D19.	The Applicant must ensure that all of its employees, contractors (and their sub-contractors) are made aware of, and are instructed to comply with, the conditions of this consent relevant to activities they carry out in respect of Stage 1.	At all times	All contractors and consultants to be issued with conditions of consent. ER to review and confirm induction and training program/records for all contractors working on site to show this is included. Inductions and training records are to be retained by the contractors.	This requirement is included in the CEMP's for both WNSLR and OWE in Section 3.4	Not triggered
<b>Developer Contributions</b>					
D20.	The Applicant shall provide all monetary contributions and/or works-in-kind contributions under Subdivision 2 of Division 7.1 of Part 7 of the EP&A Act, in accordance with the Planning Agreement entered into between the Minister for Planning, Goodman Property Services (Aust) Pty Ltd (the developer) and BGMG 11 Pty Limited as trustee for the BGMG 1 Oakdale West Trust (the landowner) and executed on 5 August 2019, and as attached in Appendix 4.	Prior to commencing construction at WNSLR and/or Stage 1	Evidence of payment/agreement will be cited by the ER.	Letter from DPIE 6/11/19 confirming agreement  Letter from DPE 18/11/19 confirming WIK  Bank Guarantee from Goodman to Minister of Planning and Environment	Compliant
<b>Operation Of Plant And Equipment</b>					
D21.	All plant and equipment used on site, or to monitor the performance of Stage 1 must be:	At all times	Contractors to provide evidence of their equipment Monitoring and maintenance records to be regularly cited by ER.		Not triggered
	(a) maintained in a proper and efficient condition; and (b) operated in a proper and efficient manner.	At all times			Not triggered
<b>Easements</b>					
D22.	Within 12 months of commencing operation of Stage 1, or a timing otherwise agreed with Council, an easement under section 88A and/or restriction or public positive covenant under section 88E of the <i>Conveyancing Act 1919</i> (NSW) naming the Council as the prescribed authority, which can only be revoked, varied or modified with the consent of the Council, and provides for a drainage outlet swale from bio-retention basin 1, must be registered on title of Lot 19 on DP 1250578.	Within 12 months of the date of commencing operation of Stage 1	Evidence of registration will be cited by the ER.		Not triggered
<b>External Walls And Cladding</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D23.	The external walls of all buildings including additions to existing buildings must comply with the relevant requirements of the NCC.	Applicable to estate lot design	ER to cite CC and OC for the building works.		Not triggered
D24.	Before the issue of a Construction Certificate and an Occupation Certificate, the Applicant must provide the Certifying Authority with documented evidence that the products and systems proposed for use or used in the construction of external walls including finishes and claddings such as synthetic or aluminium composite panels comply with the requirements of the NCC.	Prior to commencing construction of buildings at Stage 1	ER to cite CC and OC for the building works.		Not triggered
D25.	The Applicant must provide a copy of the documentation given to the Certifying Authority to the Planning Secretary within seven days after the Certifying Authority accepts it.	Prior to commencing construction of buildings at Stage 1	ER to cite CC and OC for the building works.		Not triggered
<b>Utilities And Services</b>					
D26.	Before the construction of any utility works associated with Stage 1, the Applicant must obtain relevant approvals from service providers.	Prior to commencing construction of utility works	The ER will monitor and cite all approvals from service providers are obtained. This will be reported in the ER Reports.		Not triggered
D27.	Before the commencement of operation of Stage 1, the Applicant must obtain a Compliance Certificate for water and sewerage infrastructure servicing Stage 1, under section 73 of the <i>Sydney Water Act 1994</i> (NSW).	Prior to commencing operation at Stage 1	The ER will monitor and cite compliance certificate. This will be reported in the ER Reports.		Not triggered
D28.	Before the issue of a Subdivision or Construction Certificate for Stage 1, the Applicant (whether or not a constitutional corporation) is to provide evidence, satisfactory to the Certifying Authority, that arrangements have been made for the provision of communication facilities to Stage 1.	Prior to commencing construction at Stage 1	ER to cite evidence of arrangements made.	NBN application AYCA-5SOYS0 24/10/18 NBN approval AYCA-5SOYS8 9/11/18 Pit and pipe design NBN approval AYCA-5TWAH 10/10/19	Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D29.	The Applicant must demonstrate that the carrier has confirmed in writing they are satisfied that the fibre ready facilities are fit for purpose.	Prior to the operation of Stage 1	The ER will monitor and cite written confirmation from carrier. This will be reported in the ER Reports.		Not Triggered
<b>Transgrid Easement</b>					
D30.	The Applicant must: (a) provide safe and unobstructed access for TransGrid plant and personnel to access the transmission towers, lines and easement on the Site, 24 hours a day, 7 days a week;	At all times	Contractor Project Managers to undertake daily inspections to ensure unobstructed access. ER to also undertake inspections based on information provided by the Contractors Project Manager.	Construction requirement. Included as 4.1 of the CEMP's for both OWE and WNSLR.	Not Triggered
	(b) comply with the requirements of TransGrid for any works in the TransGrid easement; and	At all times	Contractor Project Managers to undertake daily inspections to ensure compliance with the requirements of TransGrid. ER to cite requirements. ER to also undertake inspections based on information provided by the Contractors Project Manager.	Construction requirement. Included as 4.1 of the CEMP's for both OWE and WNSLR.	Not triggered
	(c) advise TransGrid of any proposed amended or modified encroachment into the easement.	At all times	Contractors to undertake correspondence and agreements with TransGrid where necessary and provide documentation of standards and agreements.	Construction requirement. Included as 4.1 of the CEMP's for both OWE and WNSLR.	Not triggered
D31.	The Applicant must: (a) comply with the requirements of Water NSW for any works adjacent to, or over, the water pipelines corridor;	At all times	All contractors/project managers will ensure the Water NSW pipeline corridor requirements are included in the CEMP where applicable. ER to also undertake inspections to monitor conformance with the CEMP.	See Condition D16 – access consent	Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(b) consult with Water NSW during detailed design of Stage 1 works near the corridor including: i) design of drainage upgrade works within the corridor; ii) batters and access tracks; iii) final bridge design for the WNSLR;	Prior to commencing construction at WNSLR	ER to cite evidence of consultation.	CEMP provided to WNSW for comment 06/8/19.  Letter 03/09/19 WNSW to ATL confirming acceptance and close out of design related comments	Compliant
	(c) obtain from Water NSW, an access consent and construction licence to work within the water pipelines corridor, prior to the commencement of construction;	Prior to commencing construction at WNSLR	ER to cite evidence of consent from Water NSW.	Works agreement with Water NSW - reference 1469_001	Compliant
	(d) consult with Water NSW during preparation of the CEMP, in accordance with Condition D119, and attend a site visit with WNSW personnel, prior to finalising the CEMP, to mark the exact works area for the WNSLR bridge crossing; and	Prior to commencing construction at WNSLR	ER to cite evidence of consultation and Meeting Minutes.	CEMP provided to WNSW for comment 06/8/19.  Site meeting 10 July 2019 (ref OWE CEMP)	Compliant
	(e) notify any incidents that affect or could affect the water pipelines corridor to WNSW on the 24 hour Incident Notification Number 1800 061 069, as a matter of urgency.	At all times	Incident notification will be undertaken in accordance with the CEMPs and Water NSW agreements. A copy of the Incident Forms will be cited by the ER. Discussion of incidents to be included in regular ER Reports.	Requirement is included as section 3.5.3.1 in both CEMPs for OWE and WNSLR	Not triggered
<b>Works-As-Executed Plans</b>					

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D32.	Before the issue of the final Occupation Certificate for Stage 1, works-as-executed drawings signed by a registered surveyor demonstrating that the stormwater drainage and finished ground levels have been constructed as approved, must be submitted to the PCA.	Prior to commencing operation at Stage 1	Contractors to provide the certifying authority with the required information for OC approval. Signed drawings to be cited by ER.		Not triggered
<b>Applicability of Guidelines</b>					
D33.	References in the conditions of this consent to any guideline, protocol, Australian Standard or policy are to such guidelines, protocols, Standards or policies in the form they are in as at the date of this consent.	At all times			Not triggered
D34.	However, consistent with the conditions of this consent and without altering any limits or criteria in this consent, the Planning Secretary may, when issuing directions under this consent in respect of ongoing monitoring and management obligations, require compliance with an updated or revised version of such a guideline, protocol, Standard or policy, or a replacement of them.	At all times	Principal to address any direction from the Planning Secretary. ER to cite replaced consents, if required.		Not triggered
AN1.	All licences, permits, approvals and consents as required by law must be obtained and maintained as required for Stage 1. No condition of this consent removes any obligation to obtain, renew or comply with such licences, permits, approvals and consents.	At all times	The ER will monitor that all licences, permits, and approvals/consents are obtained/maintained as required by law and as detailed within the CEMP/OEMP.	This Compliance Report	Compliant
D35.	<b>Landscape Management Plan</b> Prior to the commencement of construction of Stage 1, the Applicant must prepare a Landscape Management Plan (LMP), to the satisfaction of the Planning Secretary. The plan must form part of the CEMP in accordance with Condition D119 and the OEMP in accordance with Condition D130 and must: (a) be prepared in consultation with Council;	Prior to commencing construction at WNSLR and/or Stage 1	ER to cite consultation with Council. LMP to be reviewed by the ER prior to submission to Planning Secretary to confirm Plan is accurate with the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(b) detail procedures for the retention of existing native vegetation in the north-western corner of the Site and protection of this vegetation from construction impacts;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) include visual impact mitigation measures for construction including but not limited to: i. the location of site sheds, compounds and machinery parking areas, avoiding the western and southern site boundaries, or other locations highly visible from adjacent residential properties; ii. procedures for progressive grassing of exposed soil, as soon as reasonably practicable after disturbance, focusing on areas where building construction will occur at a later stage;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(d) detail the works required to construct the landscape bund along the western boundary of the Site, as shown on Figure 5 in Appendix 2, including provision for the landscaping to incorporate mature trees (no less than 75 litre pot size);	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(e) include a schedule of works which prioritises the construction of the landscape bund along the western boundary of the Site, as shown on Figure 5 in Appendix 2.	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Closed
	(f) include a program for implementing the landscape bund as soon as reasonably practicable, and no later than prior to operation of Stage 1;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Closed
	(g) describe the integration of landscaping with fixed elements, including retaining walls and noise walls; and	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(h) describe the monitoring and maintenance procedures to ensure the success of the landscaping works over the life of the Development.	Prior to commencing construction at WNSLR and/or Stage 1	ER to review LMP against the requirements of the condition.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	
D36.	The Applicant must: (a) not commence construction of Stage 1 until the LMP is approved by the Planning Secretary;	Prior to commencing construction at WNSLR and/or Stage 1	Evidence of approval will be cited by the ER prior to commencement of works at each stage of development.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	
	(b) must implement the most recent version of the LMP approved by the Planning Secretary; and	At all times	Regular monitoring and inspections will be undertaken to ensure that the LMP is implemented accordingly.		Not triggered
	(c) include the monitoring and maintenance procedures contained in the LMP within the OEMP required in accordance with Condition D130.	Prior to commencing operation at Stage 1	ER to cite LMP within OEMP.		Not triggered
D37.	<b>Landscaping</b> The Applicant must complete the landscape bund along the western boundary of the Site as shown on Figure 5 in Appendix 2 within six months of commencing any construction including bulk earthworks.	Within 6 months of commencing construction (including bulk earthworks)	ER to undertake monitoring and inspections to ensure the landscape bund complies with the RTS and condition timing.		Not triggered
D38.	The Applicant must maintain all landscaping implemented as part of Stage 1, as shown on Figure 5 in Appendix 2, for the duration of the Development. If the monitoring carried out as part of Condition D37 indicates that any aspect of the landscaping has not been successful, the Applicant must undertake re-planting and rehabilitation works, as soon as reasonably practicable.	At all times	ER to undertake monitoring and inspections of landscaping. ER to direct re-planting and rehabilitation works, if required.		Not triggered
D39.	<b>Setbacks</b> The Applicant must ensure building services including tanks are integrated into the building design and landscaped areas to reduce visibility from public areas, unless otherwise required by an authority or Australian Standard, to be located within the front boundary setback.	Applicable to estate lot design	Consultants to demonstrate compliance with design in contractors drawings		Not triggered

Oakdale West Industrial Estate: Pre-Construction Compliance Report

Unique ID	Compliance Requirement / Development Consent Condition	Development Phase	Monitoring Methodology	Comments / Evidence	Compliance Status
<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D40.	<b>Lighting and Security Cameras</b> The Applicant must ensure the lighting associated with Stage 1: (a) complies with the latest version of AS 4282-1997 - <i>Control of the obtrusive effects of outdoor lighting (Standards Australia, 1997); and</i>	Applicable to estate lot design	Certifying authority to sign off on lighting installation. ER to cite signed certification. Review lighting if complaints are received.		Not triggered
	(b) is mounted, screened and directed in such a manner that it does not create a nuisance to surrounding properties or the public road network.	Applicable to estate lot design			Not triggered
D41.	The Applicant must ensure any security cameras installed as part of Stage 1 are directed away from adjacent private properties.	Applicable to estate lot design	Certifying authority to sign off on security camera installation. ER to cite signed certification. Review security cameras if complaints are received.		Not triggered
D42.	<b>Reflectivity</b> The visible light reflectivity from building materials used in the facades and roofs of the warehouses and offices must be designed to minimise glare. A report demonstrating compliance with these requirements is to be submitted to the satisfaction of the Certifying Authority prior to the issue of the relevant Construction Certificate.	Applicable to estate lot design	Certifying authority to sign off on reflexivity materials. ER to cite signed certification.		Not triggered
D43.	<b>Signage and Fencing</b> All signage and fencing must be erected in accordance with the plans in the RTS. <i>Note: This condition does not apply to temporary construction and safety related signage and fencing.</i>	At all times	ER to undertake inspections of signage and fencing in accordance with RTS.  Certification from Condition D44.		Not triggered
D44.	All fencing along building frontages must be located behind the landscape setbacks and not along the front boundary. The fencing must be a maximum height of 2.1 metre and be an open style.	Applicable to estate lot design	ER to cite consultation plans.		Not triggered
D45.	The Applicant must: (a) remove existing rural fencing along the water pipelines corridor adjacent the site and dispose to an appropriate waste facility licensed to accept the waste;	Following the completion of construction of WNSLR and/or Stage 1	ER to monitor removal of fencing and disposal of waste is as specified.		Not triggered

				Letter (ref D56b) TfNSW 18/10/19 confirms this consultation schedule is being adhered to	
D58.	The Applicant must develop a schedule for consultation with and approval by Water NSW for the construction of the bridge over the water pipelines corridor. This schedule must form part of the CEMP required by Condition D119.	Prior to commencing construction at WNSLR	The Consultation Schedule for Water NSW will be cited by the ER and approved by the Planning Secretary.	Consultation schedule within APP B WNSLR CEMP. & WNSW Approval 6/08/19 2019 included within Appendix C WNSLR CEMP	Compliant
D59.	<b>Pre-Operation</b> Prior to operation of any Stage of the Development, the Applicant must complete construction of the WNSLR to the satisfaction of the Relevant Roads Authority and the PCA.	Prior to commencing operation of Stage 1	Certifying authority and Relevant Roads Authority to sign off on WNSLR. ER to cite certification.		Not triggered
D60.	Prior to the commencement of operation of the WNSLR, the Applicant must provide works-as- executed drawings to Water NSW for the WNSLR bridge. The drawings must clearly show any changes to the bridge design or the works adjacent to the water pipelines corridor.	Prior to the commencement of operation of WNSLR	Drawings to be cited by ER prior to submission to Water NSW. Submission of drawings to be cited /recorded and reported prior to operations.		Not triggered
D61.	Prior to the commencement of operation of the WNSLR, the Applicant must design and construct a stormwater management system for the WNSLR. The system must:	Prior to the commencement of operation of WNSLR	ER to cite engineering certification of the construction of the stormwater management system.		Not triggered
	(a) be designed by a suitably qualified and experienced person(s);				
	(b) be generally in accordance with the conceptual design in the RTS;	Prior to the commencement of operation of WNSLR	ER to cite engineering certification of the construction of the stormwater management system in accordance with the RTS.		Not triggered

<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) ensure that the system capacity has been designed in accordance with AUSTRROADS guidelines;	Prior to the commencement of operation of WNSLR	ER to cite engineering certification of the construction of the stormwater management system in accordance with the AUSTRROADS guidelines.		Not triggered
	(d) achieve the pollutant reduction targets specified in RMS’s <i>Water Sensitive Urban Design (WSUD) Guidelines (March 2016)</i> and Council’s <i>Water Sensitive Urban Design (WSUD) Policy (December 2013)</i> ; and	Prior to the commencement of operation of WNSLR	ER to cite engineering certification of the construction of the stormwater management system in accordance with the pollutant targets.		Not triggered
	(e) ensure the outlet structures are designed in accordance with NRAR’s <i>Guidelines for Controlled Activities on Waterfront Land (May 2018)</i> .	Prior to the commencement of operation of WNSLR	ER to cite engineering certification of the construction of the stormwater management system in accordance with the NRAR’s guidelines.		Not triggered
D62.	<b>Dedication of Infrastructure and Land</b> Prior to the completion of construction of the WNSLR, the Applicant must consult with WNSW regarding land subdivision and stratum arrangements for the acquisition and dedication of Water NSW land to Council or the WNSLR bridge.	Prior to the completion of construction at WNSLR	ER to cite documentation of dedicated land to confirm compliance.		Not triggered
D63.	Following completion of construction of the WNSLR to the satisfaction of the Relevant Roads Authority, the Applicant must dedicate the WNSLR and its associated land owned by Water NSW and BGMG 11 Pty Limited as trustee for the BGMG 1 Oakdale West Trust, to the Relevant Roads Authority in accordance with the requirements of the Planning Agreement.	After completion of the WNSLR	ER to cite consultation with Relevant Road Authority with respect to dedication of WNSLR		Not triggered
D64.	The Applicant shall retain care, control and ownership of bio-retention basin no. 1 associated with the WNSLR.	At all times	Ongoing maintenance in accordance with OEMP.		Not triggered
<b>Transport, Access And Parking</b>

<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
D65.	<b>Construction Traffic Management Plan</b> Prior to the commencement of construction of Stage 1, the Applicant must prepare a Construction Traffic Management Plan (CTMP) to the satisfaction of the Planning Secretary. The CTMP must form part of the CEMP required by Condition D111 and must: (a) be prepared by a suitably qualified and experienced person(s);	Prior to commencing construction at WNSLR and/or Stage 1	A specialist consultant will be engaged to prepare CTMP. ER to review CTMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(b) be prepared in consultation with Council, Mamre Anglican School, Emmaus Catholic College, Emmaus Catholic Care Village and Trinity Catholic Primary School;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review CTMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(c) detail specific measures to manage construction traffic to avoid school drop off and pick up times (Monday to Friday 8 am – 9.30 am and 2.30 pm – 4 pm), and Higher School Certificate exam periods, including any temporary infrastructure arrangements and traffic safety measures;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review CTMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(d) detail the measures to be implemented to ensure road safety and network efficiency during construction, including scheduling deliveries of heavy plant and equipment outside of peak periods, or during school holidays where possible;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review CTMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(e) detail heavy vehicle (HV) routes, access and parking arrangements;	Prior to commencing construction at WNSLR and/or Stage 1	ER to review CTMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant

<b>SCHEDULE B – CONDITIONS FOR THE CONCEPT PROPOSAL</b>					
	(c) include procedures for clearing marking and protecting the areas of vegetation to be retained on the Site, including the mature vegetation in the north-western corner and the Biodiversity Offset Area, established in accordance with Condition D91 adjacent to Ropes Creek; and	Prior to commencing construction at WNSLR and/or Stage 1	ER to review FFMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(d) detail the specific erosion and sediment controls to protect the retained vegetation.	Prior to commencing construction at WNSLR and/or Stage 1	ER to review FFMP prior to submission to the Planning Secretary.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
D89.	The Applicant must: (a) not commence bulk earthworks until the FFMP required by Condition D88 is approved by the Planning Secretary; and	Prior to commencing construction at WNSLR and/or Stage 1	Evidence of approval will be cited by the to commencement of works at each stage of development.	Within CEMPs submitted to DPE 15/11/19  Approved by DPIE; • OWE – 29/11/19 • WNSLR – 28/11/19	Compliant
	(b) implement the most recent version of the Flora and Fauna Management Plan approved by the Planning Secretary for the duration of bulk earthworks and construction.	At all times	Regular monitoring and inspections will be undertaken to ensure that the FFMP is implemented accordingly.		Not triggered
D90.	<b>Offsets for Stage 1</b> Within 12 months of the date of this development consent, or as otherwise agreed with the Planning Secretary, the Applicant must retire 172 ecosystem credits to offset the removal of 4.41 hectares of native vegetation on the Site. <i>In accordance with Principle 3 of the OEH’s NSW Biodiversity Offsets Policy for Major Projects 2014, the Policy does not allow variations to the offset rules to be applied to ‘threatened species and ecological communities that are considered nationally significant (listed under the Environmental Protection and Biodiversity Conservation Act 1999)’. These must be offset in a like for like manner.</i>	Within 12 months of the date of the consent	ER to cite certification of retired credits by Planning Secretary.		Not triggered
